

# Summer Camp Guide

## Packing INFORMATION

We suggest that you **label each item with your camper's name**, and have your camper involved in the packing process so that they know what belongs to them. It is a good idea to send old clothes they recognize as their own, not a lot of new ones they won't remember belonging to them. Leave expensive clothing and valuables at home and try to pack light! Label each bag with the Camper's Name, and how many bags they have (1 of 3, 2 of 3, 3 of 3, etc.). Cabin Leaders will do their best to help your camper keep up with their belongings. However, we cannot be responsible for lost items. Please consider this when making decisions of what to pack for camp.
